

HOW TO MAKE YOUR OWN TRICK OR TREAT BUNTING

1.

Cut around dotted edge to remove bunting from sheet of paper.

2.

Fold along dashed line at the top, creating a flap on the reverse.

3.

Cut a piece of string to the desired length and lay it along the groove created.

2.

Repeat steps 1&2 until the desired length of bunting is created.

5.

Secure flaps at the back of bunting with sellotape in order to hold the flags in place along string.

6.

Hang your bunting up on a wall and admire your ghoulish handiwork!
