Temple Street Christmas Toy Appeal 2018

Infection Control & Toy Delivery

All toys must be brand new. Unfortunately we are unable to accept used toys of any kind because of the hospital's strict infection control policy. Other items that we cannot accept include:

- Small toys that could be a choking hazard
- Homemade toys
- Food items

We would appreciate if you did not wrap toys as all items must be checked before being given to patients.

You can arrange delivery of toys by contacting Temple Street Foundation on 01 878 4344 or info@templestreet.ie. Unfortunately we cannot facilitate donors in delivering gifts directly to patients. Please provide your name, address & telephone number with your delivery.

Thank You
