What is a Cookie?

Cookies are text files containing small amounts of information which are downloaded to your device when you visit a Site. Cookies are then sent back to the originating Site on each subsequent visit, or to another Site that recognises that cookie. Cookies are useful because they allow a Site to recognise a user's device. You can find more information about cookies at:

- www.allaboutcookies.org
- www.youronlinechoices.eu

Cookies do lots of different jobs, like letting you navigate between pages efficiently remembering your preferences, and generally improve your website experience. They can also help to ensure that adverts you see online are more relevant to you and your interests.

Most Sites you visit will use cookies in order to improve your user experience by enabling that Site to 'remember' you, either for the duration of your visit (using a 'session cookie') or for repeat visits (using a 'persistent cookie').

Cookies may be set by the Site you are visiting ('first party cookies') or they may be set by other Sites who run content on the page you are viewing ('third party cookies').

Cookies used on this Site

Templestreet.ie uses third party cookies. We use cookies in order to make this Site easier to use, to support the provision of information and functionality to you, as well as to provide us with information about how this Site is used so that we can make sure it is as up to date, relevant and error free as we can.

Further information about the types of cookies that are used on this Site is set out in Templestreet.ie's Data Privacy Statement. To the extent any Personal Information is collected through cookies, the Data Privacy Statement applies and compliments this Cookie Policy.

By continuing to browse the Site you are agreeing to our use of cookies and the cookies notice at the top of your browser will disappear. If you block our use of cookies, you may be unable to access certain areas of our Site and certain functions and pages will not work in the usual way. Doing so may also affect our ability to update this Site to cater for user preferences and improve its performance.

Strictly Necessary Cookies

Strictly necessary cookies are essential in order to enable you to move around the Site and use its features and/or services. Without these absolutely necessary cookies, the Site will not perform as smoothly for you as we would like it to and we may not be able to provide the Site with certain services or features.

There are no strictly necessary cookies on the Templestreet.ie site.

Performance Cookies

Performance cookies collect information about how visitors use a Site; for instance which pages visitors go to most often, and if they get error messages from web pages. These cookies do not collect any information that identifies a visitor. The information that these cookies collect is aggregated and is therefore anonymous. It is only used to improve how a Site works.
